

## HOTEL PONTEFINO DIRECTIONS:

1. From Manila, take the South Luzon Expressway (SLEX) all the way until it becomes the Southern Tagalog Arterial Road (STAR) Tollway. The two are now connected so you do not have to make an exit from SLEX.
2. Stay on the STAR Tollway and exit at the Batangas Toll Exit (to your left).
3. Upon passing through the exit, take the rotunda and take the National Highway on the left – toward Batangas City proper.
4. Keep going straight along the National Highway until you reach a fork on the road with a Rotary Lion marker.
5. Take the right side of the fork (Hilltop Road) – and take the first left after this.
6. You'll need to make the next left turn after this to get to P. Herrera Road. (You can also be guided by signs pointing to SM City Batangas, since Pontefino Hotel is along the same route.)
7. Make the first right into the road that leads directly toward Gulod Labac and Pontefino Hotel.
